PLAINTIFFS' ORIGINAL PETITION AND REQUESTS FOR DISCLOSURE

Plaintiffs Flor Gonzalez and Arnolando Gonzalez file this Original Petition and Requests for Disclosure against Defendants State Farm Lloyds and Bobby Greer and allege as follows:

A. DISCOVERY-CONTROL PLAN

1. Plaintiffs intend to conduct discovery under Level 3 of Texas Rules of Civil Procedure. This case involves complex issues and will require extensive discovery. Therefore, Plaintiffs ask the Court to order that discovery be conducted in accordance with a discovery control plan tailored to the particular circumstances of this suit. Plaintiffs affirmatively plead that this suit is not governed by the expedited-actions process in Texas Rule of Civil Procedure 169 because Plaintiffs seek monetary relief over \$100,000.

B. RELIEF

2. Plaintiffs seek monetary relief over \$100,000, but not more than \$200,000. Tex. R. Civ. P. 47(c).

C. PARTIES

3. Plaintiffs Flor Gonzalez and Arnolando Gonzalez are individuals who reside in Starr County, Texas.

4. Defendant, State Farm Lloyds, is a Texas domestic Lloyd's plan insurance company that, on information and belief, is licensed to conduct the business of insurance in Texas or has its principal place of business located in Texas. Additionally, one or more of State Farm's members are citizens of Texas. It can be served with citation by serving its registered agent for service of process, Corporation Service Company, 211 E. 7th St., Suite 620, Austin, Texas 78701-3218 by personal service.

5. Defendant, Bobby Greer, is a Texas resident, who may be served at his residence located at 4037 South 20th St., Abilene, Texas 79605 by personal service.

D. JURISDICTION

6. The Court has subject matter jurisdiction over the lawsuit because the amount in controversy exceeds this Court's minimum jurisdictional requirements.

E. VENUE

7. Venue is mandatory and proper in this district because all or a substantial part of the events or omissions giving rise to the claim occurred in Starr County and the insured property that is the basis of this lawsuit is also located in that county.

F. CONDITIONS PRECEDENT

8. All conditions precedent to recovery have been performed, waived, or have occurred.

G. FACTUAL BACKGROUND

9. Plaintiffs timely paid their insurance premiums and are the holders of insurance policy number 83-CT-A870-4 issued by State Farm.

10. Plaintiffs owned the insured property, which is located at 557 Posada St., Rio Grande City, Texas 78582 on May 17, 2016.

11. Defendant State Farm or its agent sold the policy insuring the property to Plaintiffs.

12. On or about May 17, 2016 a severe wind and hailstorm struck the Rio Grande City, Texas area causing severe damage to homes and businesses throughout the area, including Plaintiffs' home.

13. In the aftermath of the storm, Plaintiffs submitted a claim to State Farm under the policy for roof damage and water damage the home sustained as a result of the hail and wind. Plaintiffs asked that Defendant State Farm cover the cost of repairs to the property pursuant to the policy and any other available coverages under the policy.

14. State Farm assigned claim number 53919F507 to Plaintiffs' claim and hired and/or assigned Defendant Bobby Greer to adjust the claim. Greer was the agent for State Farm and represented State Farm in regard to Plaintiffs' claim. Greer also adjusted Plaintiffs' claim by investigating, processing, evaluating, approving and/or denying it, in whole or in part. As such, Greer acted as an insurance adjuster engaged in the business of insurance with respect to Plaintiffs' insurance claim. Therefore, Greer, is a "person" who is individually liable for his unfair methods of competition or unfair or deceptive acts or practices under the Texas Insurance Code and the DTPA.

15. Greer improperly adjusted Plaintiffs' claim. Greer conducted a substandard inspection, which is evidenced in his reports, which failed to include many of Plaintiffs' damages.¹ Greer's estimates did not allow adequate funds to cover repairs to restore Plaintiffs' home. Without limitation, Greer misrepresented the cause of, scope of and cost to repair the damage to Plaintiffs' property, as well as the amount of and insurance coverage for Plaintiffs'

¹ Greer's Adjustment Reports are attached as Exhibit A and Exhibit B.

claim under Plaintiffs' policy. Greer made these and other representations to Plaintiffs as well as to State Farm. Plaintiffs and State Farm both relied on Greer's misrepresentations, including but not limited to those regarding the cause of, scope of and cost to repair the damage to Plaintiffs' property, and Plaintiffs have been damaged as a result of that reliance. Greer's misrepresentations caused State Farm to underpay Plaintiffs' insurance claim and, as a result, Plaintiffs have not been able to properly and completely repair the damage to the property. This has caused additional, further damage to the property. Greer also advised Plaintiffs as to how they could repair their property so as to prevent further damage to the property. This advice was negligent and false because Plaintiffs could not properly repair the property by following Greer's advice. Plaintiffs' property has sustained further damages as a result.

16. Defendants misrepresented on their initial inspection, on July 7, 2016, that the damages caused by the wind and hailstorm to Plaintiffs' home were below the policy's deductible. Defendants further misrepresented on a re-inspection completed on October 27, 2016 that damages to Plaintiffs' home were only \$9,258.84. However, Defendants' misrepresentations were false because Plaintiffs' damages stemming from the hail and windstorm exceed \$20,733.35.

17. State Farm and Greer failed to properly adjust the claim and Defendants have denied at least a portion of the claim without an adequate investigation, even though the policy provided coverage for the type of losses suffered by Plaintiffs.

18. These false representations allowed Defendants to gain financially by wrongfully denying at least a portion of Plaintiffs' claim.

19. Plaintiffs' claim remains unpaid and Plaintiffs have not been able to properly repair the home.

20. State Farm failed to perform its contractual duty to adequately compensate Plaintiffs under the terms of the policy. Specifically, State Farm failed and refused to pay the full proceeds of the policy although a demand was made for proceeds to be paid in an amount sufficient to repair the damaged property and all conditions precedent to recovery upon the policy had been carried out by Plaintiffs. State Farm's conduct constitutes a breach of the insurance contract between it and Plaintiffs.

21. Defendants misrepresented to Plaintiffs that some of the damage to the home was not covered under the policy, even though the damage was caused by a covered occurrence. Defendants' conduct constitutes a violation of the Texas Insurance Code, Unfair Settlement Practices. Tex. Ins. Code Section 541.060(a)(1).

22. Defendants failed to make an attempt to settle Plaintiffs' claim in a fair manner, although they were aware of their obligations to Plaintiffs under the policy. Defendants' conduct constitutes a violation of the Texas Insurance Code, Unfair Settlement Practices. Tex. Ins. Code Section 541.060 (a)(2)(A).

23. Defendants failed to explain to Plaintiffs why they offered inadequate settlement. Specifically, Defendants failed to offer Plaintiffs adequate compensation, without any explanation why full payment was not being made. Furthermore, Defendants did not communicate that any future settlements would be forthcoming to pay for the entire loss covered under the policy, nor did they provide any explanation for the failure to adequately settle Plaintiffs' claim. Tex. Ins. Code Section 541.060(a)(3).

24. Defendants failed to affirm or deny coverage of Plaintiffs' claim within a reasonable time. Specifically, Plaintiffs did not receive timely indication of acceptance or rejection regarding the entire claim in writing from Defendants. Defendants' conduct constitutes

a violation of the Texas Insurance Code, Unfair Settlement Practices. Tex. Ins. Code 541.060(a)(4).

25. Defendants refused to fully compensate Plaintiffs under the terms of the policy even though Defendants failed to conduct a reasonable investigation. Specifically, Defendants performed an outcome-oriented investigation of Plaintiffs' claim, which resulted in biased, unfair and inequitable evaluation of Plaintiffs' losses to the home. Defendants' conduct constitutes a violation of the Texas Insurance Code. Tex. Ins. Code 541.060(a)(7).

26. State Farm failed to meet its obligations under the Texas Insurance Code regarding timely acknowledging Plaintiffs' claim, beginning an investigation of Plaintiffs' claim and requesting all information reasonably necessary to investigate Plaintiffs' claim within the statutorily mandated deadline. State Farm's conduct constitutes a violation of the Texas Insurance Code, Prompt Payment of Claims. Tex. Ins. Code Section 542.056.

27. State Farm failed to accept or deny Plaintiffs' entire claim within the statutorily mandated deadline of receiving all necessary information. State Farm's conduct constitutes a violation of the Texas Insurance Code, Prompt Payment of Claims. Tex. Ins. Code Section 542.056.

28. State Farm failed to meet its obligations under the Texas Insurance Code regarding payment of a claim without delay. Specifically, State Farm has delayed full payment of Plaintiffs' claim longer than allowed and, to date, Plaintiffs have not yet received full payment for their claim. State Farm's conduct constitutes a violation of the Texas Insurance Code, Prompt Payment of Claims. Tex. Ins. Code Section 542.056.

29. From and after the time Plaintiffs' claim was presented to Defendants, the liability of Defendants to pay the full claim in accordance with the terms of the policy was reasonably

clear. However, Defendants have refused to pay Plaintiffs in full, despite there being no basis whatsoever on which a reasonable insurance company would have relied to deny full payment. State Farm's conduct constitutes a breach of the common law duty of good faith and fair dealing.

30. As a result of Defendants' wrongful acts and omissions, Plaintiffs were forced to retain the professional services of the attorney and law firm who are representing Plaintiffs in this case.

H. CAUSES OF ACTION

BREACH OF CONTRACT AGAINST STATE FARM

31. Plaintiffs incorporate paragraphs 1-30 as if fully set forth herein.

32. According to the insurance policy that Plaintiffs purchased, State Farm has the duty to investigate and pay Plaintiffs' policy benefits for claims made for covered damages, including additional benefits under the policy, resulting from the wind and hailstorm. As a result of the wind and hailstorm and/or ensuing losses from the storm, both of which are covered perils under the policy, Plaintiffs' property has been damaged.

33. State Farm's failure and refusal to pay adequate compensation as it is obligated to do under the terms of the policy and under the laws of the State of Texas, constitutes a breach of State Farm's contract with Plaintiffs. As a result of this breach of contract, Plaintiffs have suffered damages as are described in this petition.

VIOLATION OF THE PROMPT PAYMENT OF CLAIMS ACT AGAINST STATE FARM

34. Plaintiffs incorporate paragraphs 1-33 as if fully set forth herein.

35. State Farm's acts, omissions, failures and conduct violate Section 542 of the Texas Insurance Code. Within the timeframe required after the receipt of either actual or written notice of Plaintiffs' claim, Defendant did not request from Plaintiffs any items,

statements or forms that it reasonably believed at that time would be required from Plaintiffs for her claim. As a result, Defendant has violated Section 542 by failing to accept or reject Plaintiffs' claim in writing within the statutory timeframe. Defendant also violated Section 542 by failing to pay Plaintiffs' claim.

36. Defendant also violated Section 542 by failing to pay Plaintiffs' claim within the applicable statutory period. In addition, in the event it is determined Defendant owes Plaintiffs any additional monies on Plaintiffs' claim, then Defendant has automatically violated Section 542 in this case.

**VIOLATIONS OF THE DTPA AGAINST
STATE FARM AND GREER**

37. Plaintiffs incorporate paragraphs 1-36 as if fully set forth herein.

38. Plaintiffs are consumers of goods and services provided by Defendants pursuant to the DTPA. Plaintiffs have met all conditions precedent to bringing this cause of action against Defendants.

39. Specifically, Defendants' violations of the DTPA include, without limitation, the following matters: By their acts, omissions, failures, and conduct, Defendants have violated Sections 17.46(b)(2), (5), (7), (9), (12), (20) and (24) of the DTPA. Defendants' violations include, without limitation, (1) their unreasonable delay in the investigation, adjustment and resolution of Plaintiffs' claim, (2) their failure in each claim to give Plaintiffs the benefit of the doubt, and (3) their failure to pay for the proper repair of Plaintiffs' property for which liability had become reasonably clear, which gives Plaintiffs the right to recover under Section 17.46(b)(2).

40. Plaintiffs are entitled to recover under Section 17.46(b)(5) of the DTPA because Defendants represented to Plaintiffs that the insurance policy and Defendants' adjusting and investigative services had characteristics or benefits that they did not have.

41. Plaintiffs are entitled to recover under Section 17.46(b)(7) of the DTPA because Defendants represented that the insurance policy and Defendants' adjusting and investigative services were of a particular standard, quality, or grade when they were of another.

42. Plaintiffs are entitled to recover under Section 17.46(b)(9) of the DTPA because Defendants advertised their insurance policy and adjusting and investigative services with the intent not to sell them as advertised.

43. Plaintiffs are entitled to recover under Section 17.46(b)(12) of the DTPA because Defendants represented to Plaintiffs that the insurance policy and their adjusting and investigative services conferred or involved rights, remedies, or obligations that they did not have.

44. Plaintiffs are entitled to recover under Section 17.46(b)(24) of the DTPA because Defendants failed to disclose information concerning goods or services which were known at the time of the transaction and such failure to disclose was intended to induce Plaintiffs into a transaction which Plaintiffs would not have entered had the information been disclosed.

45. Plaintiffs are entitled to recover under Section 17.46(b)(12) and (20) and 17.50(a)(2) of the DTPA because Defendants have breached an express warranty that the damage caused by the wind and hailstorm would be covered under the insurance policy.

46. Plaintiffs are entitled to recover under Section 17.50(a)(3) of the DTPA because Defendants' actions are unconscionable in that they took advantage of Plaintiffs' lack of knowledge, ability and experience to a grossly unfair degree.

47. Plaintiffs are entitled to recover under Section 17.50(a)(4) of the DTPA because Defendants' conduct, acts, omissions, and failures are unfair practices in the business of insurance.

48. All of the above-described acts, omissions and failures of Defendants are a producing cause of Plaintiffs' damages as described in the petition. All of the above-described acts, omissions, and failures of Defendants were done knowingly and intentionally as those terms are used in the Texas Deceptive Trade Practices Act.

VIOLATIONS OF SECTION 541 OF THE TEXAS INSURANCE CODE
AGAINST STATE FARM AND GREER

49. Plaintiffs incorporate paragraphs 1-48 as if fully set forth herein.

50. Plaintiffs have satisfied all conditions precedent to bring this cause of action.

51. By their acts, omissions, failures and conduct, Defendants have engaged in unfair and deceptive acts or practices in the business of insurance in violation of section 541 of the Texas Insurance Code. Such violations include, without limitation all the conduct described in this petition, plus Defendants' unreasonable delays in the investigation, adjustment and resolution of Plaintiffs' claim and Defendants' failure to pay for the proper repair of Plaintiffs' property for which liability had become reasonably clear. They further include Defendants' failure to give Plaintiffs the benefit of the doubt. Specifically, as described in Plaintiffs' factual allegations, Defendants are guilty of the following unfair insurance practices:

- a. Engaging in false, misleading and deceptive acts or practices in the business of insurance;

- b. Engaging in unfair claims settlement practices;
- c. Misrepresenting to Plaintiffs pertinent facts or policy provisions relating to the coverages at issue;
- d. Not attempting in good faith to effectuate a prompt, fair and equitable settlement of claims submitted for which liability became reasonably clear;
- e. Failing to affirm or deny coverage of Plaintiffs' claim without conducting a reasonable investigation with respect to the claim; and
- f. Failing to promptly provide Plaintiffs with a reasonable explanation of the basis in the insurance policy in relation to the facts or applicable law for the denial of Plaintiffs' claim or the offer of settlement.

52. State Farm also breached the Texas Insurance Code when it breached its duty of good faith and fair dealing.

53. Plaintiffs' damages resulted from Defendants' conduct.

54. Defendants' acts, omissions, and failures were done knowingly as that term is described in the Texas Insurance Code.

**BREACH OF THE DUTY OF GOOD FAITH
AND FAIR DEALING AGAINST STATE FARM**

55. Plaintiffs incorporate paragraphs 1-54 as if fully set forth herein.

56. By its acts, omissions, failure and conduct, State Farm has breached its common law duty of good faith and fair dealing by failing to pay the proper amounts on Plaintiffs' entire claim without any reasonable basis and by failing to conduct a reasonable investigation to determine whether there was a reasonable basis for the denial.

57. State Farm also breached this duty by unreasonably delaying payment of Plaintiffs' entire claim and by failing to settle Plaintiffs' entire claim because it knew or should have known that it was reasonably clear the claim was covered. These acts, omissions, failures and conduct of State Farm are a proximate cause of Plaintiffs' damages.

CONSPIRACY AGAINST STATE FARM AND GREER

58. Plaintiffs incorporate paragraphs 1-57 as if fully set forth herein.

59. Defendants were members of a combination of two or more persons, the object of which was to accomplish an unlawful purpose and/or a lawful purpose by unlawful means, including but not limited to, violating the DTPA, violating Sections 541 and 542 of the Texas Insurance Code, committing unfair and deceptive insurance practices, committing fraud and fraudulent inducement, committing breach of contract, and committing breaches of the duty of good faith and fair dealing. The Defendants had a meeting of the minds on the objects or courses of action. Further, one or more of the Defendants committed unlawful, overt acts, including, but not limited to violating the DTPA, violating sections 541 and 542 of the Texas Insurance Code, committing unfair and deceptive insurance practices, committing fraud and fraudulent inducement, committing breach of contract, and committing breaches of the duty of good faith and fair dealing to further the objects or courses of action which, among other things, were intended to deprive Plaintiffs of the benefit and coverage of the policy that they purchased. Plaintiffs suffered injury as a proximate result of these wrongful acts or omissions.

60. The conspiratorial acts committed by Defendants were committed with gross negligence, fraud, or malice, as those terms are defined in Chapter 41 of the Texas Civil Practices and Remedies Code, such as to justify the imposition of punitive damages against Defendants.

NEGLIGENCE AND GROSS NEGLIGENCE AGAINST GREER

61. Plaintiffs incorporate paragraphs 1-60 as if fully set forth herein.

62. Greer was negligent in giving advice to Plaintiffs as to how they could repair the property so as to prevent further damage to the property. This advice as to how to repair Plaintiffs' property was negligent because Plaintiffs could not properly repair the property and prevent further damage by following Greer's advice. Plaintiffs' property has sustained further damage as a result. Greer owed a duty to use reasonable care when he undertook to advise Plaintiffs as to how they could repair the property so as to prevent further damage to the property. Greer breached this legal duty. The breach proximately caused Plaintiffs' damages.

63. The acts and failures to act were committed with gross negligence, as the term is defined in Chapter 41 of the Texas Civil Practices and Remedies Code, which justifies the imposition of exemplary damages against Greer.

NEGLIGENT MISREPRESENTATION AGAINST GREER

64. Plaintiffs incorporate paragraphs 1-63 as if fully set forth herein.

65. Greer made representations to Plaintiffs in the course of Plaintiffs' business or in a transaction in which they had an interest. Greer supplied false information for the guidance of others, including Plaintiffs. Greer did not exercise reasonable care or competence in obtaining or communicating the information to Plaintiffs. Plaintiffs justifiably relied on Greer's representations and Greer's representations proximately caused further damages to Plaintiffs' property.

66. The misrepresentations, acts and/or failures to act set forth herein were committed with gross negligence, fraud and/or malice, as those terms are used in Chapter 41 of

the Texas Civil Practices and Remedies Code, so as to justify the imposition of punitive damages against Greer.

I. WAIVER AND ESTOPPEL

67. Defendants have waived and are estopped from asserting any coverage defenses, conditions, exclusions, or exceptions to coverage not contained in any reservation of rights letter to Plaintiffs.

J. DAMAGES

68. The above-described acts, omissions, failures and conduct of Defendants have caused Plaintiffs' damages, which include, without limitation, the cost to properly repair Plaintiffs' property and any investigative and engineering fees incurred in the claim. Plaintiffs are also entitled to recover consequential damages from State Farm's breaches of contract. Plaintiffs are also entitled to recover the amount of each of Plaintiffs' individual claims plus an 18% per annum penalty on the claim against State Farm as damages under Section 542 of the Texas Insurance Code, plus pre-judgment interest and attorney's fees.

K. ADDITIONAL DAMAGES

69. Defendants also "knowingly" and "intentionally" committed deceptive trade practices and unfair insurance practices as those terms are defined in the applicable statutes. Because of Defendants' knowing and intentional misconduct, Plaintiffs are entitled to additional damages as authorized by Section 17.50(b)(1) of the DTPA. Plaintiffs are further entitled to additional damages authorized by Section 541 of the Texas Insurance Code.

L. EXEMPLARY DAMAGES

70. State Farm's breach of its duty of good faith and fair dealing owed to Plaintiffs was done intentionally, with a conscious indifference to the rights and welfare of Plaintiffs, and

with “malice” as that term is defined in Chapter 41 of the Texas Civil Practice and Remedies Code. In addition, Greer’s conduct constituted gross negligence. These violations by Defendants are the type of conduct that the State of Texas protects its citizens against by the imposition of exemplary damages. Therefore, Plaintiffs seek the recovery of exemplary damages in an amount to be determined by the finder of fact that is sufficient to punish Defendants for their wrongful conduct and to set an example to deter Defendants and others similarly situated from committing similar acts in the future.

M. ATTORNEY’S FEES

71. As a result of Defendants’ conduct, Plaintiffs have been forced to retain the undersigned attorneys to prosecute this action and have agreed to pay reasonable attorney’s fees. Plaintiffs are entitled to recover these attorney’s fees under Chapter 38 of the Texas Civil Practices and Remedies Code, Sections 541 and 542 of the Texas Insurance Code, and Section 17.50 of the DTPA.

N. JURY DEMAND

72. Plaintiffs assert their right to a trial by jury, under Texas Constitution Article I, Section 15, and makes this demand for a jury trial at least 30 days before the date this case is set for trial in accordance with Texas Rule of Civil Procedure 216. Plaintiffs tender the fee of \$40.00 as required by Texas Government Code Section 51.604.

O. REQUESTS FOR DISCLOSURE

73. Plaintiffs request that Defendants disclose, within 50 days of the service of this request, the information or material described in Texas Rule of Civil Procedure 194.2.

P. PRAYER

Plaintiffs pray that Defendants be cited to appear and answer herein, and that upon trial hereof, that Plaintiffs have and recover such sums as would reasonably and justly compensate them in accordance with the rules of law and procedure, both as to actual damages, consequential damages, treble damages under the Texas Insurance Code and Texas Deceptive Trade Practices Act, and all punitive, additional, exemplary damages as may be found. In addition, Plaintiffs request the award of attorney's fees for the trial and any appeal of this case, for all costs of court, for pre-judgment and post-judgment interest as allowed by law, and for any other and further relief, at law or in equity, to which they may show themselves to be justly entitled.

Respectfully Submitted,

Claim Number: 53919F507
 Cause of Loss: HAIL

Your insurance policy provides replacement cost coverage for some or all of the loss or damage to your dwelling or structures. Replacement cost coverage pays the actual and necessary cost of repair or replacement, without a deduction for depreciation, subject to your policy's limit of liability. To receive replacement cost benefits you must:

1. Complete the actual repair or replacement of the damaged part of the property within two years of the date of loss; and
2. Notify us within 30 days after the work has been completed.
3. Confirm completion of repair or replacement, by submitting invoices, receipts or other documentation to your agent or claim office.

Until these requirements have been satisfied, our payment(s) to you will be for the actual cash value of the damaged part of the property, which may include a deduction for depreciation.

Without waiving the above requirements, we will consider paying replacement cost benefits prior to actual repair or replacement if we determine repair or replacement costs will be incurred because repairs are substantially under way or you present a signed contract acceptable to us.

The estimate to repair or replace your damaged property is \$9,258.84 . The enclosed claim payment to you of \$3,005.07 is for the actual cash value of the damaged property at the time of loss, less any deductible that may apply. We determined the actual cash value by deducting depreciation from the estimated repair or replacement cost. Our estimate details the depreciation applied to your loss. Based on our estimate, the additional amount available to you for replacement cost benefits (recoverable depreciation) is \$ 3,987.77 .

If you cannot have the repairs completed for the repair/replacement cost estimated, please contact your claim representative prior to beginning repairs.

All policy provisions apply to your claim.
